Greeting Sisters and Brothers of Faith

At the February Congregational Council meeting Council voted to move to one church service. There are several reasons this change was being considered including availability of supply pastors and cost for multiple services, easier for an intentional interim pastor, reduction in available volunteers for alter guild, lectors and worship assistants, and an opportunity for members to interact and build relationships during one worship service. Input was obtained from the Music and Worship Committee, Christian Education Committee, Jennifer Kishbaugh and Linda Eberhart for thoughts on timing and impact on those associated with the worship service and members. The conclusion was reached to move to Sunday School and Confirmation classes from 9-9:30 AM followed by one worship service at 9:45 AM every Sunday.

We continue to make progress at identifying an intentional interim pastor to lead worship services and provide spiritual guidance as we transition to the future at Faith. Congregational Council met with Bishop deForest and Pastor Drennan to discuss feedback from Council on what we feel we need to move forward and heal as a congregation. Council was provided with a potential candidate to consider as an intentional interim pastor. Next we will evaluate the candidates experience and resume and meet with them to determine the appropriate fit for our congregation as we move forward. Stay tuned for future updates as we have more information.

As we continue to process the change we are experiencing as a congregation I ask that we all continue to reflect upon who we are as Christians, our mission statement and who we want to be moving forward. Be considerate and accepting of each other's differences because after all that's what makes us who we are at Faith!

God bless,

Zack Keenan, Congregational Council President
